

Teens

teens toward success

(ages 12-17)

Leadership skills, career development, communication skills, and increased self-esteem are just a few benefits you'll experience by being a part of our Teens Toward Success program. We're looking for outgoing, positive, and hard working youth to volunteer to share your skills with school age, preschoolers, or individuals with disabilities in a variety of capacities. This is an excellent opportunity to meet new people and participate in trips and classes that will help develop you as a professional. Acceptance and site placement are based on availability of positions.

If interested, please write a letter explaining:

- why you're interested in volunteering
- your work experience
- your preferred work area (REC Connect, classes, community centers, parks, County departments), and
- why you'd be a good choice for this opportunity

Send/fax/email your letter or questions to:

Teen Program Coordinator
5300 Palmer Lane, Suite 1A
Williamsburg, VA, 23188
Fax: 259-5358
phurr@james-city.va.us

James City County, Virginia

(grades 8-12)

Make a difference in your community – apply now for the Youth Advisory Council. Comprised of approximately 15 very motivated and driven young leaders, the YAC represents all area middle and high school students and serves as a liaison between youth and the local government. This is an excellent chance to not only speak your mind, but to make changes and enhancements in your community. Applications are available at the Community Centers, the Satellite Services Office in Toano, by request from your school guidance department and online at jccgov.com/recreation/getinvolved.html. Once applications are reviewed, youth are contacted to schedule an interview. Interviews for the upcoming school year begin in July with selections made by August. Applications are accepted until all council positions are filled. Only JCC youth are eligible to apply. Send/fax/email your application or questions to:
